

# HOW TO VIEW A HOUSE

Due to the Covid-19 virus, we've had to do things a little differently this year when it comes to viewing houses. Follow the steps below to find your perfect student home.

*during a pandemic*

## 1: Check out our adverts online

Then get in touch to let us know which houses you are interested in.

## 2: We will send you a video viewing of the house(s)

Watch the videos over with your group to decide on which house suits you. You can pause, rewind and make notes on all the properties.

## 3: Let us know which house you want to go for

We will then set up a Zoom meeting for your group with one of our Property Managers to answer your questions about the house.

## 4: You can then secure the house

Once you are sure you want the house, we will ask you to put down £50pp as a holding deposit, and to each complete the application forms on our website.

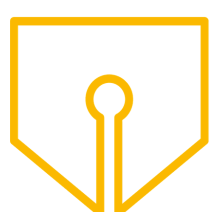

## 5: We can now take you to see the house in person

Depending on the rules at the time, this could be the whole group, or just the lead tenant, but you will need to wear a face mask.

## 6: We will then complete the paperwork online

This includes, the contract signing and parental guarantor forms. You'll also need to send us a picture of your passport, and pay the balance of the damage deposit at this stage.
